

**The E-word Week 3:
"I Can't Dance!"
Scott Smith
August 18-19, 2007**

Dance is a great metaphor for evangelism

Dance is all about the rhythm and flow

Dance isn't about winning or losing

Jesus was great at this...the story of the woman at the well

The first step:

You've got to ask

It starts with a question!

The second step:

Discern their interest level

The third step:

Keep dancing

The critical moment

Rhythm and flow

Know your story

The journey is the destination

Who are you dancing with?

What conversations are you having?
