

"The Body of Christ Broken and Poured Out!"

1 Corinthians 11:17-34

Holy Communion everything centers on this!

In this meal, in this mystery we discover
who we are and whose we are

Communion is a thin space

World Communion Sunday: We are one!

We emphasize each week everyone is welcome

"I hear when you come together you do more harm than good..."
(1 Corinthians 11:17)

There are divisions

The Body of Christ is broken and poured out!

Before you eat, examine yourself

We are called to be the Body of Christ... ...broken and poured out for the world
