

"The Next Step: Faith is a Journey!"

Genesis 28:10-22

Faith is not a destination it is a journey

"It's the journey that matters. Learning is more important than the test.... It's about the journey - mine and yours - and the lives we can touch, the legacy we leave, and the world we can change for the better." Tony Dungy, Quiet Strength p.xiv-xv

Jacob at Bethel

He is not where he was, and he is not where he is going... this is where he is

In the dream, God says...

I've been with you in the past, I am with you now, and will be in the future

Jacob's response:

He builds an altar and commits to give 10%

We respond to God's grace with gratitude

God doesn't focus on where Jacob has been, but where Jacob is going

God is always calling us to the future

So what about you? Where are you on the journey?

What is the next step for you?

To stay in Bethel brings death

Faith is a journey, not a destination... What's the next step?
