God and Sex

Two stories telling one story:
We are created with sexuality.

Pink elephants:

1. We are uncomfortable talking about sex in church
2. We are worried about age issues: too young and too old.
3. I am not an expert.

One thing I do know:
God and sex cannot be separated

Sex is part of God's plan for us and it is good!

*Sex, sexuality and sexual issues have pain and hurt in the world,
which is why we who follow Jesus must be part of a moment to
reclaim the world, bringing heaven to earth.*

1 Corinthians 6:12-20 (NIV)

Just because something is good doesn't mean do whatever you want

The boundaries:

The 2 shall be 1

Sex = marriage

God wants us to be whole, complete, not broken

Step one:

Put God first in your sex life
