

Your Best Sex Life Now Pt 2
"The Object of My Desire"
Scott Smith
September 13/14, 2008

Your best sex life now begins when you put God first in your sex life.
God and sex cannot be separated. Gods plan: the 2 shall be 1.

The rest of the series is about what it looks like to have God first in your life

When we view women/men as objects, we aren't seeing them as God sees them.

They are no longer human. They are less than human - not whole but broken.

When we lust, we add to the brokenness of creation.

Matthew 5:27-30 (NIV)

Jesus tells us to gouge out our eyes because we are already blind

It is ok to look but don't touch...NO!

*The look leads to thoughts, which leads to fantasies, which leads to actions
which leads to death!*

James 1:13-15

The most important battle to fight: the battle of the eyes
The eyes are the window to the soul!
