**“Growing Up,
Next Step: Jesus”
Scott Smith
October 25/36, 2008
Matthew 16:13-20**

Paul says, “If you confess Jesus is Lord.....then you will be saved.” Romans 10:9

This is the core of our faith.

Salvation is about living life to the fullest, living the life we were created to live.

Faith is a journey there is always the next step.

On this journey at some point we have to wrestle with the question:

who is Jesus?

We’ve made it about belief, but there’s more to it than just believing

you have to follow him which means changing your ways.

Faith is belief accompanied by action

Matthew 16:13-20

When we give ourselves to Jesus we discover who we are.

It starts with the commitment, then we learn how to follow.

What's the next step for you?

What action will accompany your belief this week?
