

## **Read Acts 2:42-47**

1. Explain the meaning of the popular saying, “The church is not a building – it is people.”
2. List the priorities of the first church.
3. Why do you think each is important to the life of a healthy church?
4. Should these be the priorities of churches today? Why or why not?
5. Examine your life, what role has the church played?
6. Have your experiences with the church been primarily positive or negative? Why? (Please refrain from using specific examples relating to a certain denomination or church)
7. What do you think it means when the verses say the church “devoted themselves to breaking bread together?”
8. Describe the attitudes of these new believers.
9. Does your attitude match those of the believers in Acts? Why or Why not?
10. The early church was growing...where do you see the same type growth and prosperity in the life of Community of Faith?
11. Where do you see spiritual growth and prosperity in your own life?

Perform your own attitude check this week!
